I. Introduction

On October 10, 2018, the Postal Service filed a notice of classification changes pursuant to Commission rule 39 CFR 3020.90.¹ The Postal Service seeks to correct the names of foreign countries that appear in various portions of the Mail Classification Schedule (MCS). Notice at 1. The changes are intended to take effect on January 27, 2019. *Id.*

II. Summary of Changes

The Postal Service proposes revisions to references to the names of a dozen foreign countries in the MCS, as well as a minor editorial change. The Postal Service states that “[t]he purpose of these minor changes is to correct the names of foreign countries . . . so that the MCS accurately reflects current country names.” *Id.*

The Postal Service avers that the proposed changes satisfy the requirements of 39 CFR 3020.90 because the changes should result in a more accurate representation of the Postal Service’s offerings, the Notice is filed more than 15 days prior to the intended effective date, and the changes merely update or correct country names without changing product offerings or pricing. *Id.* at 1-2.
